telephone contact, virtual means (i.e., Zoom, FaceTime, Google Duo, SmartLink), and socially distant in-person meetings if necessary.

- (v) submit person, residence, office, or vehicle to a search, conducted by the pretrial officer at a reasonable time and in a reasonable manner, based upon reasonable suspicion of contraband or evidence of a violation of a condition of release; failure to submit to a search may be grounds for revocation; the defendant will warn any other residents that the premises may be subject to searches pursuant to this condition.

On October 29, 2021, the defendant submitted a drug test that was positive for opiates. The defendant denied use when this officer inquired so the sample was sent to the lab for further confirmation. On November 15, 2021, the sample from the lab came back positive for Codeine. This officer again asked the defendant about drug use. The defendant continued to deny any use and stated she has been sober for 110 days (since the incident in August 2021, which was also reported to the Court, involving the defendant being caught drinking excessive amounts of alcohol outside her directed curfew).

The defendant has been compliant with supervision since her release (apart from the aforementioned incident in August 2021). At this time, Pretrial Services is recommending no formal action be taken. Further noncompliance will be reported to the Court by way of a petition.

If the Court desires more information or another course of action, please contact me at 801-680-1566.

Respectfully submitted,

By Annie Carr
